

THE BIG BLUE FROG

I'm in love with the big blue frog
And the big blue frog loves me.
It's not as bad as it appears.
He's got glasses and he's six foot three.

I'm not worried about our kids
I know they'll turn out neat
They'll be great looking cause they'll have my face
Be great swimmers cause they'll have his feet

I'm in love with the big blue frog
And the big blue frog loves me
It's not as bad as it appears
He's got rhythm and a PHD

I know we can make things work
He's got good family sense
His mother was a frog from Philadelphia
His daddy an enchanted prince

The neighbors are against it and it's clear to me
And it's probably clear to you
They think the value on their property will go right down
If the family next door is blue.

I'm in love with the big blue frog
And the big blue frog loves me
Well, I've got it tatooed across my chest
It says PHROG (that's frog to me) P H R O G

IF I HAD A HAMMER

If I had a hammer, I'd hammer in the mornin'.
I'd hammer in the evenin', all over this land.
I'd hammer out danger. I'd hammer out warnin'.
I'd hammer out love between my brothers and my sisters
All over this land.

If I had a bell, I'd ring it in the mornin'.
I'd ring it in the evenin', all over this land.
I'd ring out danger. I'd ring out warnin'.
I'd ring out love between my brothers and my sisters
All over this land.

If I had a song, I'd sing it in the mornin'.
I'd sing it in the evenin', all over this land.
I'd sing out danger. I'd sing out warnin'.
I'd sing out love between my brothers and my sisters
All over this land.

Now I've got a hammer and I've got a bell,
And I've got a song to sing all over this land
It's the hammer of justice. It's the bell of freedom.
It's the song about love between our brothers and our sisters
All over this land.
